

**We provide reliable Professional Services so clients can achieve greatness.** We are a verified Service Disabled Veteran Owned business located in San Antonio, TX that was founded in 2005 to provide critical support on challenging programs throughout the United States and around the world. Vighter is an ISO 9001:2015 registered firm accredited by The Joint Commission and has been placed on the Inc 5000 list for the fastest growing businesses multiple times. Over the past 15 years our growth has been fueled by implementing a culture acutely focused on responsiveness, quality, customer service, and trust. Vighter's highly skilled professionals provide value through a methodical approach to understanding a client's needs and customizing quality solutions to achieve success.

# PROFESSIONAL SERVICES

## Contracted Workforce

We provide highly skilled professionals and experienced management teams to augment our client's workforce in a flexible and scalable manner.

## Healthcare Operations

We offer turnkey healthcare services throughout the US and abroad to allow our clients to focus on their primary mission.

## Special Mission Support

We have SOF roots and offer highly customized special operations tactical support in austere environments abroad.

## Cybersecurity Services

Our security professionals ensure your endpoints are protected to mitigate security threats before they breach your network.
